

# Managing Your Profile

Your profile is where all the information - both personal and private - about you resides. Select a profile picture, update your login settings and build your social identity, by including details about your experiences, knowledge and skills. Note: These instructions presume you're logged into the AFMRD web site.

On the AFMRD homepage, roll your mouse over My Options in the user bar up top right. Click on My Profile to access your personal profile.

To update your profile, on your Personal Profile page, click the Edit Profile icon.
